LOCAL BASKETEERS IN WESLEYAN TOURNEY

Antioch Selected as One of 16 Greatest Teams in State.

Coach L. R. Watson and his team of all-star basketball players left early today for Bloomington where the local boys will play in the third annual Illinois Wesleyan university interscholastic basketball tournament which is planned to be the biggest and best event of the kind ever staged in the state. Watson's conference champs are sure to give a good account of themselves as they are all set to win.

One of 16 Greatest Teams.

The selection of Antioch as one of the sixteen greatest prep fives in the state to participate in the tourney comes as a distinct honor to the local school players and to Coach Watson, who have given a good account of themselves during the playing season and all but copped the district tournament honors at Waukegan ten days ago. But notwithstanding the loss of the tournament the year's work by the team here was considered reason for including the Antioch lads in the "Lucky Sixteen," who are to play in the big meet at Bloomington, Thursday, Friday and Saturday. This is strictly an invitation tourney for which the cream of the state's basketball talent was chosen.

The following Antioch players, members of the conference championship team, made the trip to Bloomington today with Coach Watson: Nixon, Schwenk, Bernoffo, Michael, Wilson, Spicer, Shunnesson, Steininger and Simpson.

A Classy Field.

Among the teams chosen for the meet at Bloomington are found such teams as Centralia, Sumner, Manito, Cornell, Melvin, Rock Falls, Canton, University High, Pekin, East Lynn, Tremont, Kankakee, Hoopston, Clinton and Bloomington. "From every corner of the state these quintets are coming to grapple for supremacy on the hardwood," says the Daily Pantagraph of Bloomington.

"From the far northern sector of the state comes Antioch, winners of the Northwest conference championship. This team has won 25 games and lost but 3, and has a marvelous record, according to all who have seen it in action. Only a 'bad break' in the tourney kept this team away from Champaign, Thursday, and many figure Watson's tossers, the superior of several quintets competing in the Champaign classic."

Antioch will meet the fast University High in the fourth game tonight at 7:00. If victorious in the opener, the local's next game will be either with Bloomington or Tremont, Friday at 7:00 p. m. Winning this game the locals will go to the finals on Saturday with a chance for the championship or a battle for third honors.

Games to Be Filmed and Broadcast. Fraternities at Wesleyan are making great preparations for the entertainment of their guests and the entire city of Bloomington is assuming a holiday attire. Plans are being made to have the games filmed.

The games are to be broadcast over station WHI, it was stated by the chairman of the tournament committee, Kenneth Smith, a Wesleyan student, will be at the microphone, and several other sport notables will be on the air during the three day meeting which promises to be one of the greatest tournaments ever staged in the state.

This announcement will be hailed with delight by followers of the 16 lucky teams, many of whom will of course be unable to be in attendance at the games, but will be just as much interested as if they were in the gymnasium, and who will in this way be able to get every play just as it is manipulated on the hardwood court.

DOZEN CANDIDATES FOR VILLAGE OFFICES

A petition being circulated this week in behalf of the People's party candidates at the forthcoming April village election bears the name of S. E. Pollock for village president, and G. W. Jensen, N. E. Sibley, W. J. Christian and H. J. Vos as candidates for trustees, the latter being a candidate for trustee to fill vacancy caused by the resignation of Mr. Pollock some weeks ago. With six candidates announced last week by the Independent party there are now an even dozen aspirants for village offices from which 121 Antioch voters will be asked to register their choice on April 19. Region of Intense Heat

The climate of Death valley, Calif., is due in a measure to its configuration. It consists of a long, narrow parallel valley, considerably below sea level. The prominent mountains shut out from it the moist winds of the Pacific, so that in August there is less than one-half of 1 per cent of moisture in the atmosphere.

Advertising That Lives Longest

Merchants who advertise REGULARLY in a weekly newspaper get best results.

This is easily explained, easily understood.

If your advertisement appears this week people will look for it next week. If it isn't there next week, it is only natural that people will wonder why. If your advertisement fails to appear for several weeks, people will NOT wonder why. They will forget you.

If you are introduced to a man, you may forget him in a short time if you do not see him again. No matter how favorably he impressed you, he will gradually fade from your memory if you do not encounter him again.

The people you know BEST are the people you meet MOST FREQUENTLY.

The merchant who advertises regularly becomes an old friend of the people who read the weekly newspaper. Appearing regularly, his advertisement is regarded as an institution, as a part of the paper, as an old friend in the home.

To obtain best results, one should advertise regularly. Every issue of the weekly newspaper containing your advertisement will make new friends for you. New friends mean increased sales, increased profits.

Don't permit yourself to be forgotten by the people upon whom you depend for your patronage. Advertise REGULARLY in the weekly newspaper.

Advertising in the weekly newspaper LIVES LONGER—therefore it is the most profitable form of newspaper advertising.

ANTIOCH NEWS DOES NOT USE UNSIGNED COMMUNICATIONS

The Antioch News has been compelled to consign to the waste basket many items of news sent in by persons who neglect to sign their names to their communications intended for publication. Many news items sent to newspapers for publication, innocent enough in appearance, have been known to stir up a lot of trouble. For that reason the News insists that all communications bear the name of the writer, not for publication, but as an evidence of good faith on the part of the contributor.

You'd be surprised at the great number of times a newspaper is asked to do a little mud-slinging for someone who has not even the courage to disclose his identity.

The Antioch News welcomes news matter sent by mail, but the source and authority for such news must be known to the publisher. So please sign your name to all articles sent for publication. Thank you.

Calendar—Fourth Sunday in Lent.
8:30 Holy Communion.
9:30 Church School.

10:30 Holy Eucharist and Sermon.
We hope to have the Rev. Dr. Major Ph. D. with us Sunday as our guest. He will also hold the Easter Services with us. The Services on Easter Day will be at 6:00, 7:30 and 10:30 and the Children's Service at which time the mite boxes will be presented 5 p. m.

There will be a Three-Hour Service from 12 to 3 on Good Friday to commemorate the Crucifixion of Our Lord. The meditations will follow the Seven Words From the Cross.

It is hoped that more may find their way to attend the Church Services now that the weather does not prevent the way along with the other usual reasons we so love to give.

The Christian Churches, of Antioch belong to any who wish to work or worship in them. Many people do not show common sense in these matters.

The Ladies Guild have put a fine new floor in the dining room of the Parish House. It is hoped that more and more the community will use the excellent facilities of the Parish House for social gatherings and fellowship. It is at your service for a small rental fee to help with expenses.

Some have asked for a copy of the pledge that the young people make at the close of Church School. Here it is:

I pledge allegiance to the Cross and to the Church for which it stands. For I am not ashamed to confess the Faith of Christ crucified, and manfully to fight under His banner against sin, the world, and the devil, and to continue Christ's faithful soldier and servant unto my life's end. Amen.

When the formation is called in

the Army of God in the Church Militant what will your record be as a good soldier? The Church is indeed a haven for sinners and a school for saints even tho some of the saints are only in second grade. It looks sometimes as tho an opportunity room is necessary in some districts. May the anticipation of the Easter joy with its assurance of immortal life and glory here and in the life to come inspire you to grasp the means appointed to gain peace, power, strength, and perfection, of body, mind, and soul.

Methodist Notes
Another treat awaits the people of Antioch Sunday night. The Rev. Shureman who has spent the past ten years working within the alumni district of Chicago will be present and tell us with pictures the many blessings we people of Antioch have as against the folks who must live in the city. Dr. Shureman has a really wonderful selection of pictures showing his work and the fine type of Americans which comes from the melting pot. No offering will be asked for. Come and bring a friend.

The morning service will be at 10:45 as usual and will be augmented by the choir. Christians need not be told as to why they should come into the house of the Lord on the Sabbath, experience has proven beyond a doubt the value of coming apart from the world for an hour of meditation and prayer.

Communion with God is essential to Christian living.

The young folks of the Sunday School are looking forward to April first when they will hold an April Fool's Day party. The Ladies' Aid are planning another supper. The Confirmation class is studying in preparation to the Easter Communion. Thus the whole church is actively engaged in the service of the Church, doing something to make the lot of man happier. Helping someone find God thru the path of service.
